A large grid for tracing and dot-marker activities. The grid is 20 columns wide and 15 rows high. On the left side, there are three geometric shapes: a staircase-like shape, a house-like shape, and a four-pointed star. To the right of these shapes, there are blue dots placed at various grid intersections, forming patterns that correspond to the shapes. The first shape has 15 dots, the second has 15 dots, and the third has 15 dots.
