Series continuation and coloring practice grid:

- Row 1: A sequence of squares. The first three squares have a diagonal line from the top-left to the bottom-right. The fourth square is empty. The rest of the row consists of empty squares.
- Row 2: A sequence of triangles. The first three are upward-pointing, and the fourth is downward-pointing. The rest of the row consists of empty squares.
- Row 3: A sequence of diamonds. The first three have both diagonals, and the fourth is empty. The rest of the row consists of empty squares.
- Row 4: A sequence of triangles. The first three are upward-pointing, and the fourth is downward-pointing. The rest of the row consists of empty squares.
- Row 5: A sequence of diamonds. The first three have both diagonals, and the fourth is empty. The rest of the row consists of empty squares.
- Row 6: A sequence of squares. The first three have both diagonals, and the fourth is empty. The rest of the row consists of empty squares.
- Row 7: A sequence of squares. The first three have both diagonals, and the fourth is empty. The rest of the row consists of empty squares.
