

LESSON 7

Read and write.

Complete the words.

The crossword puzzle consists of the following grid:

		e					
a		m					

The puzzle is surrounded by illustrations of body parts with dotted arrows pointing to specific cells in the grid:

- An eye points to the cell containing 'e'.
- An ear points to the cell containing 'e'.
- Lips point to the cell containing 'm'.
- A nose points to the cell containing 'm'.
- A hand points to the cell containing 'h'.
- A hand points to the cell containing 'n'.
- A hand points to the cell containing 'l'.
- A girl's face points to the cell containing 'h'.
- A leg points to the cell containing 'l'.
